ID/INFO EXPO is an event held annually by the National Institute for Animal Agriculture (NIAA) and has become one of the premier meetings on animal identification. TRI-MERIT™, a single-source animal tracking and verification program powered by Global Animal Management, Inc. (GAM) is sponsoring the pressroom at the event. For more information, please visit their website at www.mygamonline.com.

We hope you have found these updates from the ID/INFO EXPO to be helpful. Please contact us if we can be of any further assistance.
