

NIAA Animal Care Committee

What can we do as an
organization?

Will We Stand Ideally By ?

- Our Mission is to “Inform and Advise”

Potential Call to Actions

- NIAA could be more reactive with press releases following announcements by other organizations and industries.
- Refute attacks.
- Embrace positive changes that companies announce.
- Sustainable, eco-friendly, animal friendly.

Potential Call To Actions

- Encourage more University awareness of animal welfare both in training, funding and participating by Deans of Colleges of Agriculture and Colleges of Veterinary Medicine.
- NIAA, AAA, USAHA, AVMA

Potential Call To Action

- Ask NIAA Board of Directors to offer Animal Welfare as the theme of next years meeting.
- Political, Social, Production, Legislative and Restaurant/Retailer concerns regarding animal welfare.

Potential Call To Action

- Review the findings of the NCIFAP.

Potential Call To Action

- Review legislative agendas around the country on both a state and national level in cooperation with Animal Ag. Alliance, NCBA, and Dr. Carolyn Orr's office in Washington, DC with the Office of City, County and State Governments.

Potential Call To Action

- Encourage NIAA to actively embrace aquaculture?
