

MARKET IMPLEMENTATION CHALLENGES

Dick Jurgens
United Producers, Inc.

Challenge

- Active users of ID
- A Workhorse of the NAIS

Challenge

- Predictable Interruptions
- Coordinated Teamwork Approach
- Securing Reliable Equipment
- Varied Environments
- Different Configuration

Challenge

- Coordinating Computer Systems
- Many Current Computer Systems Lack EID Capabilities

Challenge

- Software Demands
- Proper Interface
- Australian Technical Assistance

Challenge

- Handling Multiple Species
- System Flex

Challenge

- Simple Procedures
- Submission of Data
- Measured Concern of Complication

Challenge

- Cost of Equipment
- Cost of Technical Assistance
- Major Burden
- Equipment Purchase Timing

Challenge

- Private Database
- What Data Goes Where
- Data Routing “Who, What, Where”

Opportunity

- Adopt a Workable System
- Clear Communication of Control
